

INDEX TO VOLUME 104

A

- ABBOTT, WALTER D.: Resection of Presacral Nerve for Dysmenorrhea and Pelvic Pain, 351.
- Abdomen, Transverse Incision in Upper, 74.
- Abdominal Incision, Transverse, 233; Wall, Chronic Progressive Postoperative Gangrene of, 227.
- Aberrant Vessel and Adhesions, Jaundice Due to Obstruction by an, 1109.
- Acidity, Gastric, Following Operation for Gastric and Duodenal Ulcer, 585.
- Actinomycosis, The Role of Surgery in the Treatment of, 752.
- Acute Perforated Peptic Ulcer Treated by Simple Closure, Late Results of, 853; Perforation of Gastrojejunal Ulcer, 827; Suppurative Pericarditis, 365.
- Addendum on clamp of Francis M. Findlay, M.D., 158.
- Address of the President, 481.
- Adhesions and Aberrant Vessel, Jaundice Due to Obstruction by, 1109; The Prevention of Peritoneal, by Papain, 736.
- Advances in Technic of Thoracoplasty, 545.
- ALEXANDER, JOHN: Some Advances in the Technic of Thoracoplasty, 545.
- ALTEMEIER, W. A.: Postanginal Sepsis, 212.
- American Board of Internal Medicine, 1118.
- Amylase, Blood, Induced and Spontaneous Changes in, in Relationship to the Pancreas, 388.
- Anastomosis, Uretero-Intestinal, Experimental Studies of, 87.
- Anatomic Restudy of Pelvic Lymphatics, 905.
- Anesthesia, Cyclopropane, in Thyroidectomy, 982; Destruction of Cerebral Cortex Following Nitrous Oxide-Oxygen, 801; Evipal, in Thoracic Surgery, 46; Sodium Amytal and Ether, Traumatic Shock Under, 332; Spinal, Fall in Blood Pressure During, 41.
- Antigas Gangrene Serum, Prophylactic Use of, 58.
- Anus, Imperforate, with Rectovaginal Cloaca, 651.
- Apoplexy, Mesenteric, 144.
- Apparatus for Correction of Flexion Contracture of Knee, 156.
- Appendicitis, Acute, The Reduction of the Increasing Mortality and Morbidity in, 617; Gangrenous, Strangulated Umbilical Hernia and Concomitant, 314.
- Appendix, Diverticula of the Vermiform, 1001; Mechanism and Significance of Obliteration of the Lumen of the Vermiform, 199.

- Arterial Diseases of Lower Extremities, Relief of Pain by Peripheral Nerve Block in, 934.
- Arthritis, Suppurative, of Sacro-Iliac Joint, 289.
- Ascending Colon, Ileocecal Resection for Acute Diverticulitis of Solitary Diverticulum of, 478.
- Aseptic Necrosis, Bilateral, of Femoral Head, 100.
- Aspiration of Breast Cysts, 220.

B

- BAKER, WALTER W.: Perineal Prostatectomy, 424.
- BASS, SARA: Evipal Anesthesia in Thoracic Surgery, 46.
- BEARSE, CARL: Mycotic Infection of the Stomach, 167.
- BEER, EDWIN: Delayed Wound Healing Following Nephrectomy for Tuberculosis, 748.
- Benign Cicatricial Strictures of the Bile Ducts, 668; Metastasizing Hemangioma, 453.
- BENSON, CLIFFORD D.: A Ten Year Study of Empyema in Children, 579.
- BERG, ALBERT A.: Operative Procedure for Right-Sided Ulcerative Colitis, 1019.
- BERGH, GEORGE S.: Cholecystoduodenostomy Combined with Pyloric Exclusion, 702.
- Biceps Brachii, Dislocation and Elongation of Long Head of, 118.
- BICK, EDGAR M.: Lipoma of the Extremities, 139.
- Bilateral Aseptic Necrosis of Femoral Head, 100.
- Bile Ducts, Benign Cicatricial Strictures of the, 668.
- BIRD, CLARENCE E.: Division of Ribs as an Aid in Closing a Diaphragmatic Hernia, 993.
- Bites, Surgical Treatment of Human, 1103.
- BLALOCK, ALFRED: Experimental Production of Chylothorax by Occlusion of Superior Vena Cava, 359.
- Blood Amylase, Induced and Spontaneous Changes in, in Relationship to the Pancreas, 388; Circulation Time, The Importance in Surgery of the, 460; Circulation of the, A Forgotten Chapter in the History of the, 1; Pressure, Fall in, During Spinal Anesthesia, 41.
- Board, American, of Internal Medicine, 1118.
- BOLAND, FRANK K.: Traumatic Surgery of Lungs and Pleura, 572.

- Bolus, Food, Intestinal Obstruction from, 151.
- Brachii, Biceps, Dislocation and Elongation of Long Head of, 118.
- BRADSHAW, HOWARD H.: Fall in Blood Pressure During Spinal Anesthesia, 41.
- Brain Injury, Increased Cerebrospinal Fluid, Pressure from Blood in Cerebrospinal Fluid, 492.
- Breast Cysts, Aspiration of, 220.
- BRENIZER, ADDISON G.: Ureteral Transplantation and Cystectomy, 248.
- Bronchial Fistulae, Use of Intercostal Muscle in Closure of, 560.
- BUTSCH, WINFIELD L.: Use of Glyceryl Trinitrate (Nitroglycerin) for the Control of Pain Following Cholecystectomy, 1013.
- C**
- Cancer of the Colon, Metastases to the Thyroid Gland from, 36; Influence of Heredity in, 952; Irremovable, of Pyloric Segment of Stomach, Surgical Treatment of, 161.
- Carcinoma of the Rectum, The One Stage Procedure of the Treatment of, 636.
- CARTER, B. NOLAND: Late Results of Thoracoplasty in Treatment of Pulmonary Tuberculosis, 552.
- CASTLEMAN, BENJAMIN: Benign Metastasizing Hemangioma, 453.
- CAYLOR, HAROLD D.: Intestinal Obstruction from Food Bolus, 151.
- Cerebral Cortex, Destruction of, Following Nitrous Oxide-Oxygen Anesthesia, 801.
- Cerebrospinal Fluid, Brain Injury, Increased Cerebrospinal Fluid Pressure from Blood in, 492.
- Chest Wall, Tumors of the, 530.
- Children, Ten Year Study of Empyema in, 579.
- Cholecystectomy, Use of Glyceryl Trinitrate for the Control of Pain Following, 1013.
- Cholecystoduodenostomy Combined with Pyloric Exclusion, 702.
- CHURCHILL, EDWARD D.: Pericardial Resection in Chronic Constrictive Pericarditis, 516; The Physiology of Massive Pulmonary Embolism, 811; The Surgical Treatment of Hyperparathyroidism, 9.
- Chylothorax, Experimental Production of, by Occlusion of Superior Vena Cava, 359.
- Cicatricial, Benign, Strictures of the Bile Ducts, 668.
- Circulation of the Blood, A Forgotten Chapter in the History of the, 1; Time, Blood, The Importance in Surgery of the, 460.
- Cloaca, Rectovaginal, with Imperforate Anus, 651.
- Closure, Acute Perforated Peptic Ulcer treated by Simple, Late Results of, 853.
- COLIN, HYMAN: The Importance in Surgery of the Blood Circulation Time, 460.
- Colitis, Ulcerative, Operative Procedure for Right-Sided, 1019.
- COLLER, FREDERICK A.: The One Stage Procedure of the Treatment of Carcinoma of the Rectum, 636.
- COLLINS, DONALD C.: Diverticula of the Vermiform Appendix; 1001; Mechanism and Significance of Obliteration of the Lumen of the Vermiform Appendix, 199.
- Colon, Ascending, Ileocecal Resection for Acute Diverticulitis of Solitary Diverticulum of, 478; Cancer of the, Metastases to the Thyroid Gland from, 36.
- Colostomy, Recurrent Prolapse Through Stoma of a, 477.
- COMPERE, EDWARD L.: Correlation of Pathologic and Roentgenologic Findings in Tuberculosis and Pyogenic Infections of the Vertebrae, 1038.
- Constrictive Pericarditis, Chronic, Pericardial Resection in, 516.
- Contracture of Knee, Flexion, Apparatus for Correction of, 156.
- Control of Pain Following Cholecystectomy, Use of Glyceryl Trinitrate for the, 1013.
- COPE, OLIVER: The Surgical Treatment of Hyperparathyroidism, 9.
- CORYLLOS, POL N.: Evipal Anesthesia in Thoracic Surgery, 46.
- Crisis, Operative Insulin, in Resection of Pancreas, 662.
- CUNNINGHAM, R. S.: Experimental Production of Chylothorax by Occlusion of Superior Vena Cava, 359.
- CURTIS, GEORGE M.: Splenectomy for Hemoclastic Crises, 892.
- CUTLER, CONDUCT W., JR.: Mesenteric Aplexy, 144; Strangulated Umbilical Hernia and Concomitant Gangrenous Appendicitis, 314.
- CUTLER, ELLIOTT C.: Surgical Treatment of Tumors of Peripheral Nerves, 436.
- Cyclopropane Anesthesia in Thyroidectomy, 982.
- Cystectomy and Ureteral Transplantation, 248.
- Cysts, Aspiration of Breast, 220.
- D**
- Defects of the Skull, Restoration of, 321.
- Demonstration of Hormones in Tumors, 787.
- Diaphragmatic Hernia, Division of Ribs as Aid in Closing a, 993.
- Diseases, Arterial, of Lower Extremities, Relief of Pain by Peripheral Nerve Block in, 934; of the Spine, 1038.
- Dislocation and Elongation of Long Head of Biceps Brachii, 118.
- Diverticula of the Vermiform Appendix, 1001.

- Diverticulitis, Acute, of Solitary Diverticulum of Ascending Colon, Ileocecal Resection for, 478.
- Division of Ribs as Aid in Closing a Diaphragmatic Hernia, 993.
- DOAN, CHARLES A.: Splenectomy for Hemoclastic Crises, 892.
- DOBZANIECKI, WLADYSLAW: The Problem of Myositis Ossificans Progressiva, 987.
- Dorsal Sympathectomy for Vascular Spasm (Raynaud's Disease) of Upper Extremity, 339.
- DOUGLASS, HENRY L.: Experimental Studies of Uretero-Intestinal Anastomosis, 87.
- Duodenal and Gastric Ulcer, Gastric Acidity Following Operation for, 585; Ulcer, Recurrent, Following Previous Perforation, 312.
- Dysmenorrhea and Pelvic Pain, Resection of Presacral Nerve for, 351.
- E**
- EBERHARD, THEODORE: Pathologic Changes in Exteriorized Gastro-Intestinal Grafts, 175.
- EDELMAN, LEO: Delayed Wound Healing Following Nephrectomy for Tuberculosis, 748.
- EDWARDS, L. W.: Experimental Studies of Uretero-Intestinal Anastomosis, 87.
- ELIOT, ELLSWORTH, JR.: Benign Cicatricial Strictures of the Bile Ducts, 668.
- ELMER, WALTER G.: Plastic Operation on Quadriceps Extensor for Old Fracture of Patella, 154.
- Elongation and Dislocation of Long Head of Biceps Brachii, 118.
- Embolectomy, Pulmonary, 823.
- Embolism, The Physiology of Massive Pulmonary, 811.
- Empyema in Children, Ten Year Study of, 579.
- ENFIELD, C. D.: Rhabdomyosarcoma of the Neck, 431.
- Enteritis, Experimental Lymphedema of Intestinal Tract and its Relation to Regional Cicatrizing, 601.
- Essential Hypertension, Surgical Treatment of, 771.
- ESSEX, HIRAM E.: Comparative Studies on Traumatic Shock Under Ether and Under Sodium Amytal Anesthesia, 332.
- Ether and Sodium Amytal Anesthesia, Traumatic Shock Under, 332.
- Evipal Anesthesia in Thoracic Surgery, 46.
- Experimental Production of Chylothorax by Occlusion of Superior Vena Cava, 359; Studies of Uretero-Intestinal Anastomosis, 87.
- Exteriorized Gastro-Intestinal Grafts, Pathologic Changes in, 175.
- Extremities, Lipoma of the, 139; Lower, Relief of Pain by Peripheral Nerve Block in Arterial Diseases of the, 934.
- F**
- Face, Treatment of Infections of the, by Prophylactic Venous Obstruction, 1112.
- Fall in Blood Pressure During Spinal Anesthesia, 41.
- FALLIS, LAWRENCE S.: Inguinal Hernia, 403.
- Femoral Head, Bilateral Aseptic Necrosis of, 100.
- FINDER, JEROME G.: Subchondral Tuberculous Sequestra, 1080.
- FINDLAY, FRANCIS M.: Addendum on clamp, 158.
- Fistula, Gastrocholecystic, 146; Technic for Management of Gastrojejunal Ulcers with or without Gastrocolic or Jejuno-colic, 594.
- Fistulae, Bronchial, Use of Intercostal Muscle in Closure of, 560; Rectovaginal and Vesicovaginal, Sacrococcygeal Transrectal Approach for Repair of High, 244.
- Flexion Contracture of Knee, Simple Apparatus for Correction of, 156.
- FOMON, SAMUEL: Treatment of Old Unreduced Nasal Fractures, 107.
- Food Bolus, Intestinal Obstruction from, 151.
- FORTUNE, CARL H.: Metastases to the Thyroid Gland from Cancer of the Colon, 36.
- Fracture of Patella, Plastic Operation on Quadriceps Extensor for Old, 154; of the Pelvis, Nerve Injury in, 945; Repair, Serum Phosphatase in, 304.
- Fractures, Treatment of Old Unreduced Nasal, 107.
- FRANCKLE, C. S.: Simple Apparatus for Correction of Flexion Contracture of the Knee, 156.
- FRANK, L. WALLACE: Rhabdomyosarcoma of the Neck, 431.
- FREUND, ERNST: Bilateral Aseptic Necrosis of Femoral Head, 100.
- FRIEDMAN, IRVING: Induced and Spontaneous Changes in Blood Amylase in Relationship to the Pancreas, 388.
- G**
- GALLAGHER, J. T. F.: Simple Apparatus for Correction of Flexion Contracture of the Knee, 156.
- Gangrene of Abdominal Wall, Chronic Progressive Postoperative, 227; Antigas, Serum, Prophylactic Use of, 58; Gas, of Wound of Wrist, 318.
- Gangrenous Appendicitis, Strangulated Umbilical Hernia and Concomitant, 314.
- GARRISON, MONROE: Correlation of Pathologic and Roentgenologic Findings in Tuberculosis and Pyogenic Infections of the Vertebrae, 1038.

- Gas Gangrene of Wound of Wrist, 318.
Gastrectomy, Total, 957.
Gastric Acidity Following Operation for Gastric and Duodenal Ulcer, 585; and Duodenal Ulcer, Gastric Acidity Following Operations for, 585.
Gastrocholecystic Fistula, 146.
Gastroduodenal Surgery, 373.
Gastro-Intestinal Grafts, Pathologic Changes in Exteriorized, 175; Surgery, Peritonitis as Factor in the Mortality of, 382.
Gastrojejunal Stoma, Stenosis of, Caused by Retention of Murphy Button, 476; Ulcer, Acute Perforation of, 827; Ulcers, Technique for Management of, with or without Gastrocolic or Jejunocolic Fistula, 594.
GERSTER, JOHN C. A.: Sacrococcygeal Transrectal Approach for Repair of High Rectovaginal and Vesicovaginal Fistulae, 244.
GESCHICKTER, CHARLES F.: The Demonstration of Hormones in Tumors, 787.
Giant Cell Tumors of the Jaws, 1068.
GIBBON, JOHN H., JR.: Physiology of Massive Pulmonary Embolism, 811.
GIERTZ, KNUT H.: Twenty-five Years Experience in the Treatment of Peritonitis, 712.
GILCREEST, EDGAR LORRINGTON: Dislocation and Elongation of Long Head of Biceps Brachii, 118.
Gland, Thyroid, Metastases to the, from Cancer of the Colon, 36.
GLENN, FRANK: Surgical Treatment of Five Hundred Herniae, 1024.
Glyceryl Trinitrate, Use of, for Control of Pain Following Cholecystectomy, 1013.
GOETSCH, ARTHUR: Cyclopropane Anesthesia in Thyroidectomy, 982.
GOLDMAN, LEON: Hyperparathyroidism in Siblings, 971.
GOLDSMITH, RALPH: Leiomyosarcoma of the Jejunum, 148.
GOLDSMITH, WILLIAM S.: Memoir on Willis Foreman Westmoreland, 159.
Grafts, Pathologic Changes in Exteriorized Gastro-Intestinal, 175.
GRAHAM, HENRY F.: Influence of Heredity in Cancer, 952.
GROSS, ROBERT E.: Surgical Treatment of Tumors of Peripheral Nerves, 436.
GUERRY, LEGRAND: Operative Insulin Crisis in Resection of the Pancreas, 662.
Gummatous Infiltration in Muscle, 1115.

H

- HADDAD, SAMI I.: A Forgotten Chapter in the History of the Circulation of the Blood, 1.
HALL, W. E. B.: Recurrent Prolapse Through the Stoma of a Colostomy, 477.
HARGRAVE, ROBERT: Acute Intestinal Obstruction by Persimmon Phytobezoar, 65.

- HARGRAVE, R. L.: Acute Intestinal Obstruction by Persimmon Phytobezoar, 65.
HARRISON, PAUL W.: Postoperative Infections, 316.
HART, JOHN T.: Solid Tumors of the Mesentery, 184.
Head, Femoral, Bilateral Aseptic Necrosis of, 100.
Hemangioma, Benign Metastasizing, 453.
Hemangiosarcoma of the Mediastinum, 1107.
Hemoclastic Crises, Splenectomy for, 892.
Heredity, Influence of, in Cancer, 952.
Hernia, Diaphragmatic, Division of Ribs as an Aid in Closing a, 993; Inguinal, 403; Intraperitoneal Approach for Repair of, 1030; Strangulated Umbilical, and Concomitant Gangrenous Appendicitis, 314.
Herniae, Surgical Treatment of Five Hundred, 1024.
HEUER, GEORGE J.: Surgical Treatment of Essential Hypertension, 771.
HEYL, JAMES HARRY: Acute Suppurative Pericarditis, 365.
History of the Circulation of the Blood, a Forgotten Chapter in the, 1.
Hormones in Tumors, Demonstration of, 787.
HULL, HARRY C.: Elective Transverse Abdominal Incision, 233.
Human Bites, Surgical Treatment of, 1103.
Hyperparathyroidism in Siblings, 971; Surgical Treatment of, 9.
Hypertension, Essential, Surgical Treatment of, 771.
Hyperthyroidism, Reactions Following Operations for, 507; Stage Operations in Severe, 961.

I

- Ileocecal Resection for Acute Diverticulitis of Solitary Diverticulum of Ascending Colon, 478.
Imperforate Anus with Rectovaginal Cloaca, 651.
Incision, Transverse Abdominal, 233; in Upper Abdomen, 74.
Induced and Spontaneous Changes in Blood Amylase in Relationship to the Pancreas, 388.
Infants, Obstructions about the Mesentery in, 864.
Infection, Mycotic, of the Stomach, 167.
Infections of the Face, Treatment of, by Prophylactic Venous Obstruction, 1112; Postoperative, 316; Pyogenic and Tuberculosis, of the Vertebrae, Correlation of Pathologic and Roentgenologic Findings in, 1038.
Infiltration, Gummatous, in Muscle, 1115.
Influence of Heredity in Cancer, 952.
Inguinal Hernia, 403; Intraperitoneal Approach for Repair of, 1030.
Injury, Brain, Increased Cerebrospinal

- Fluid Pressure from Blood in Cerebrospinal Fluid, 492; Nerve, in Fracture of the Pelvis, 945.
Insulin Crisis, Operative, in Resection of Pancreas, 662.
Intercostal Muscle, The Use of, in Closure of Bronchial Fistulae, 560.
Internal Medicine, American Board of, 1118.
Intestinal Obstruction, Acute, by Persimmon Phytobezoar, 65; from Food Bolus, 151; Tract, Experimental Lymphedema of, and Its Relation to Regional Cicatrizing Enteritis, 601.
Intestinal-Ureteral Anastomosis, Experimental Studies of, 87.
Intraperitoneal Approach for Repair of Inguinal Hernia, 1030.
Irremovable Cancer of Pyloric Segment of Stomach, Surgical Treatment of, 161.
IVY, ANDREW C.: Cholecystoduodenostomy Combined with Pyloric Exclusion, 702.

J

- Jaundice Due to Obstruction by an Aberrant Vessel and Adhesions, 1109.
Jaws, Giant Cell Tumors of the, 1068.
Jejunum, Leiomyosarcoma of the, 148.
JENNINGS, JOHN E.: Total Gastrectomy, 957.
Joint, Suppurative Arthritis of the Sacro-Iliac, 280.
JONES, T. BANFORD: Obstructions about the Mesentery in Infants, 864.
JUDD, EDWARD STARR: Memoir by Dean Lewis, 798.

K

- KHAIRALLAH, AMIN A.: A Forgotten Chapter in the History of the Circulation of the Blood, 1.
KING, EMORY O.: Streptococcic Meningitis and Septicemia, 475.
KLOPP, JOHN W.: Tetanus, 419.
Knee, Apparatus for Correction of Flexion Contracture of the, 156.
KRETSCHMER, HERMAN L.: Transurethral Resection, 917.

L

- LAHEY, FRANK H.: Stage Operations in Severe Hyperthyroidism, 961.
LAM, CONRAD R.: Nerve Injury in Fracture of the Pelvis, 945.
LEHMAN, EDWIN P.: Studies in Brain Injury, Increased Cerebrospinal Fluid Pressure from Blood in Cerebrospinal Fluid, 492.
Leiomyosarcoma of the Jejunum, 148.
L'EPISCOPO, JOSEPH B.: Suppurative Arthritis of the Sacro-Iliac Joint, 289.
LEVINthal, DANIEL H.: Gummatous Infiltration in Muscle, 1115.

- LEWIS, DEAN: The Demonstration of Hormones in Tumors, 787; Memoir of Edward Starr Judd, by, 798.
LICHTENSTEIN, LOUIS: Rectal Stricture Due to Lymphopathia Venereum, 279.
LILIENTHAL, HOWARD: Hemangiosarcoma of the Mediastinum, 1107; Local Prophylactic Use of Antigas Gangrene Serum, 58.
Lipoma of the Extremities, 139.
Long Head of Biceps Brachii, Dislocation and Elongation of, 118.
LOWENBERG, K.: Destruction of Cerebral Cortex Following Nitrous Oxide-Oxygen Anesthesia, 801.
Lower Extremities, Relief of Pain by Peripheral Nerve Block in Arterial Diseases of the, 634.
LOWRY, THOMAS McGRAIN: Surgical Treatment of Human Bites, 1103.
Lumen of the Vermiform Appendix, Mechanism and Significance of Obliteration of the, 199.
Lungs and Pleura, Traumatic Surgery of, 572.
Lymphatics, Anatomic Restudy of Pelvic, 905.
Lymphedema, Experimental, of Intestinal Tract and Its Relation to Regional Cicatrizing Enteritis, 601.
Lymphopathia Venereum, Rectal Stricture Due to, 279.
LYNN, FRANK S.: Elective Transverse Abdominal Incision, 233.

M

- MAGE, SIGMUND: Gastrocholecystic Fistula, 146; Recurrent Duodenal Ulcer Following Previous Perforation, 312; Stenosis of Gastrojejunal Stoma Caused by Retention of Murphy Button, 476.
MAINGOT, RODNEY: Surgical Treatment of Irremovable Cancer of Pyloric Segment of Stomach, 161.
MAJOR, SAMUEL G.: Giant Cell Tumors of the Jaws, 1068.
MANN, FRANK C.: Comparative Studies on Traumatic Shock Under Ether and Under Sodium Amytal Anesthesia, 332.
Massive Pulmonary Embolism, The Physiology of, 811.
MATHES, MARY E.: Experimental Lymphedema of the Intestinal Tract and Its Relation to Regional Enteritis, 601.
MATHEWS, FRANK S.: Aspiration of Breast Cysts, 220.
McBRIDE, ANDREW F., JR.: Surgical Treatment of Five Hundred Herniae, 1024.
McCUTCHEN, GEORGE T.: Operative Insulin Crisis in Resection of the Pancreas, 662.
McGOWAN, JOHN M.: Use of Glycerol Trinitrate (Nitroglycerin) for the Control of Pain Following Cholecystectomy, 1013.
McKENNA, HUGH: The Reduction of the

Increasing Mortality and Morbidity in Acute Appendicitis, 617.
Mechanism and Significance of Obliteration of the Lumen of the Vermiform Appendix, 199.
Mediastinum, Hemangiosarcoma of the, 1107.
Medicine, American Board of Internal, 1118.
Memoir on Willis Foreman Westmoreland by William S. Goldsmith, M.D., 159.
Meningitis, Streptococcic, and Septicemia, 475.
Mesenteric Apoplexy, 144.
Mesentery, Obstructions about the, in Infants, 864; Solid Tumors of the, 184.
Metastases to the Thyroid Gland from Cancer of the Colon, 36.
Metastasizing Hemangioma, Benign, 453.
MILLER, A. J.: Rhabdomyosarcoma of the Neck, 431.
MILLER, DONALD S.: Gummatous Infiltration in Muscle, 1115.
MITCHELL, C. LESLIE: Serum Phosphatase in Fracture Repair, 304.
Mortality of Gastro-Intestinal Surgery, Peritonitis as Factor in the, 382; and Morbidity in Acute Appendicitis, Reduction of the Increasing, 617.
MORTON, JOHN J.: Obstructions about the Mesentery in Infants, 864.
MORTON, PAUL C.: Gas Gangrene of Wound of Wrist, 318.
Murphy Botton, Stenosis of Gastrojejunal Stoma Caused by Retention of, 476.
Muscle, Gummatous Infiltration in, 1115; Intercostal, Use of, in Closure of Bronchial Fistulae, 560.
Mycotic Infection of the Stomach, 167.
Myositis Ossificans Progressiva, The Problem of, 987.

N

NAFFZIGER, HOWARD C.: Restoration of Defects of the Skull, 321.
Nasal Fractures, Unreduced, Treatment of Old, 107.
Neck, Rhabdomyosarcoma of the, 431.
Necrosis, Bilateral Aseptic, of Femoral Head, 100.
Nephrectomy for Tuberculosis, Delayed Wound Healing Following, 748.
Nerve Block, Peripheral, Relief of Pain by, in Arterial Diseases of Lower Extremities, 934; Injury in Fracture of the Pelvis, 945; Resection of Presacral, for Dysmenorrhea and Pelvic Pain, 351.
Nerves, Tumors of the Peripheral, Surgical Treatment of, 436.
NESSELROD, J. PEERMAN: An Anatomic Restudy of Pelvic Lymphatics, 905.
NICKEL, ALLEN C.: Intestinal Obstruction from Food Bolus, 151.
Nitroglycerin, Use of, for Control of Pain Following Cholecystectomy, 1013.

Nitrous Oxide-Oxygen Anesthesia, Destruction of Cerebral Cortex Following, 801.

O

Obliteration, Mechanism and Significance of, of the Lumen of the Vermiform Appendix, 199.
Obstruction by an Aberrant Vessel and Adhesions, Jaundice Due to, 1109; Intestinal, Acute, by Persimmon Phytobezoar, 65; from Food Bolus, 151; Prophylactic Venous Treatment of Infections of the Face by, 1112.
Obstructions about the Mesentery in Infants, 864.
OCHSNER, ALTON: The Prevention of Peritoneal Adhesions by Papain, 736.
One Stage Procedure of the Treatment of Carcinoma of the Rectum, 636.
Operation, Plastic, on Quadriceps Extensor for Old Fracture of Patella, 154.
Operations for Hyperthyroidism, Reactions Following, 507; Stage, in Severe Hyperthyroidism, 961.
Operative Insulin Crisis in Resection of Pancreas, 662; Procedure for Right-Sided Ulcerative Colitis, 1019.
Ossificans, Myositis, Progressiva, The Problem of, 987.
Oxygen-Nitrous Oxide Anesthesia, Destruction of Cerebral Cortex Following, 801.

P

Pain Following Cholecystectomy, Use of Glycerol Trinitrate for the Control of, 1013.
Pancreas, Induced and Spontaneous Changes in Blood Amylase in Relationship to the, 388; Operative Insulin Crisis in Resection of, 662.
Papain, the Prevention of Peritoneal Adhesions by, 736.
PARKER, WILLIAM H.: Brain Injury, Increased Cerebrospinal Fluid Pressure from Blood in the Cerebrospinal Fluid, 402.
Patella, Fracture of, Plastic Operation on Quadriceps Extensor for Old, 154.
Pathologic Changes in Exteriorized Gastro-Intestinal Grafts, 175; and Roentgenologic Findings, Correlation of, in Tuberculosis and Pyogenic Infections of the Vertebrae, 1038.
PATTERSON, RUSSEL H.: Jaundice Due to Obstruction by an Aberrant Vessel and Adhesions, 1109.
Pelvic Lymphatics, Anatomic Restudy of, 905; Pain and Dysmenorrhea, Resection of Presacral Nerve for, 351.
Pelvis, Nerve Injury in Fracture of the, 945.
PENBERTHY, GROVER C.: A Ten Year Study of Empyema in Children, 579.

- PEMBERTON, JOHN DEJ.: Reactions Following Operations for Hyperthyroidism, 507.
 Peptic Ulcer, Acute Perforated, Treated by Simple Closure, Late Results of, 853.
 Perforated Peptic Ulcer, Acute, Treated by Simple Closure, Late Results of, 853.
 Perforation, Acute, of Gastrojejunal Ulcer, 827; Recurrent Duodenal Ulcer Following Previous, 312.
 Pericardial Resection in Chronic Constrictive Pericarditis, 516.
 Pericarditis, Acute Suppurative, 365.
 Perineal Prostatectomy, 424.
 Peripheral Nerve Block, Relief of Pain by, in Arterial Diseases of Lower Extremities, 934; Nerves, Tumors of the, Surgical Treatment of, 436.
 Peritoneal Adhesions, The Prevention of, by Papain, 736.
 Peritonitis as Factor in Mortality of Gastro-Intestinal Surgery, 382; Twenty-five Years' Experience in the Treatment of, 712.
 Persimmon Phytobezoar, Acute Intestinal Obstruction by, 65.
 Phosphatase, Serum, in Fracture Repair, 304.
 Physiology of Massive Pulmonary Embolism, 811.
 Phytobezoar Persimmon, Acute Intestinal Obstruction by, 65.
 Plastic Operation on Quadriceps Extensor for Old Fracture of Patella, 154.
 Pleura and Lungs, Traumatic Surgery of, 572.
